

Dear First Baptist Church at The Fields,

Please note the following important information as our church responds to the latest requirements of our leaders at every level of government to stop the spread of the Coronavirus. Join with me in praying that the steps being taken nationwide will result in greatly lessening the impact of this illness in our nation and for the eradication of the virus throughout the world.

Sunday Worship Services will be “online only” until further notice.

- 9:30 am Celebration Worship Service from Room 2
- 11 am Modern Worship Service from Room 1

You can watch the service at **firstfields.tv** as well as on our Facebook page. If you are unable to watch on Sunday morning, the services are available immediately following the livestream for you to view at any time. If you or someone you know needs to receive the services via CD, please contact the Church Office to let us know.

***All church activities and gatherings are cancelled until further notice.** Our staff is meeting this week to develop plans for us to connect on a regular basis online through more streaming events for children, students, adults, and our various ministries. Watch for news about these plans in the coming days.

***We will provide weekly spiritual resources for your family.**

It is critically important in this season that all of us are seeking God as individuals and families on a daily basis and spending time in worship and prayer together - not only when our services are being streamed. Watch for news about this in the coming days.

***We are still ministering to our community.**

This crisis is having an immediate financial impact on many in our community. We are partnering with Metrocrest Services and The Friendship House to provide canned food items to those with the most immediate and pressing needs right away.

The following items can be dropped off tomorrow (Wednesday) and Thursday, March 18 and 19, 11 am-2 pm and 5-7 pm, under the awning of the church.

Items Needed: Canned soups, canned beans, canned chicken or tuna, baking goods (cooking oils, baking mixes, flour, sugar), cereal, spaghetti pasta, snacks, laundry detergent, baby wipes ****Please no perishable items****

Please continue to support your church financially during this time.

You responded beautifully this past week, and I praise God for your faithfulness and generosity. The easiest way to give during this season is through online giving at **firstfields.org/give**. Other ways to give are as follows:

- Text "fbcatf" to 77977, follow prompts.
- Drop off your offering during business hours in the Commons, near the front entrance.
- Mail your offering to 1401 Carrollton Parkway, Carrollton, TX 75010

These are unprecedented days in our church, nation, and the world. As we have seen, however, in times of national and world crisis, the church has a tremendous opportunity to minister and encourage others. Let us not miss our opportunity to be His witnesses of faith, hope, and love in a tumultuous time. God is going to see us through this season, but we must be wise, courageous, and prayerful. Do not let fear be your master, but as I said on Sunday, let the mind of the Master be the master of your mind.

If you were not able to watch last Sunday's message, it is available at **firstfields.tv**. Use this time to deepen your faith as we call upon the Name of the Lord.

Brent Taylor
