## OUTREACH DAY - TAKING BACK OUR COMMUNITY CHURCH SATURDAY, FEBRUARY 20

On February 20, we are planning a half-day of service at Taking Back Our Community Church, Dallas. This outreach day will consist of various renovation projects and is a great opportunity for the whole family to get out and serve. The cost is \$20 for the first person and \$10 per each additional family member. Proceeds used for supplies and expenses.

## COATS FOR THE KINGDOM NOVEMBER 7, 14, & 21

In 2020, our church provided over 500 coats and raised over \$3,000

for Lewisville Elementary School. This allowed every child in the school to have a coat and each teacher to have a small gift of appreciation for all they do. Please join us again this year to serve this school during the Christmas season.

## CHRISTMAS STORE DECEMBER 6 & 7

Operating during November and December, our Christmas Store allows parents who need assistance to sign up and come pick out a gift to give their child. Most importantly, we share with families the reason why we celebrate Christmas and the hope we have as a result of Jesus Christ. Gifts and volunteers are needed.

## 2021 SHORT-TERM MISSION OPPORTUNITIES

### **ST. LOUIS, MISSOURI « MARCH 15-19**

Over the past year, our church had the opportunity to serve a new church plant in the DFW area, Taking Back Our Community Church. During 2021, we are continuing this partnership at their location in St. Louis, Missouri. The trip will consist of construction and renovation projects to help TBOCC with their outreach in the greater St. Louis area. The estimated cost is \$500.

### **PAGOSA SPRINGS, COLORADO « AUGUST 9-15**

Come and experience the mountains in a new way this summer. Our church is partnering with Grace Church in Pagosa Springs, Colorado, to offer the community a sports camp. We will conduct a camp for children in Grades K-5. We are looking for those who are available to love on children and share the love of Christ. The estimated cost is \$700.

### **MATAMOROS, MEXICO « SEPTEMBER 2-6**

Come and serve the children of Mexico with the Seeds of Love organization that supports the Angels of God Children's Home in Matamoros. It is their goal to plant in the hearts of children the seeds of God's undying love for them. The home currently helps children who have been abandoned by one or both parents or have been exploited or battered. Being a holiday weekend, this is a great trip to be a part of for your family. We provide fun Bible studies and stories, games, and many other activities. We may also work on various construction projects around their campus. The estimated cost is \$550.
